OPEN INVITATION TO TENDER

AO/RES/SAK/Paper-Toners/003/09

**“Supply of A4/A3 paper and toners for photocopiers,
printers and fax machines including other IT consumables”**

REQUEST FOR CLARIFICATION (1) – QUESTIONS AND ANSWERS

Question Nr. 1

Is the award criterion the total financial offer for both paper and toners or the total financial offer for each lot?

Cedefop’s clarification to Question Nr. 1

As clearly indicated in point 1.3"....Please note that in the case where you tender for more than one lot, a separate tender must be made for each lot. Each individual lot will be examined separately". The answer to your question is that the award criterion does not apply to both lots together but to each lot separately.

Question Nr. 2

In case our company does not trade some of the requested items can we participate with the rest of the items or not?

Cedefop’s clarification to Question Nr. 2

All requested items per Lot are mandatory. This is clearly indicated in the following 3 points of the invitation to tender:

For lot 1 in point 2.1.1 "All items below (1 to 6) must be mandatorily offered".

For lot 2 in point 2.2.1 "All consumables covering the following list of photocopiers, printer and fax machines including other IT consumables must be offered"".

For both lots in point 5.1 "It is mandatory to complete with prices the whole table(s) in Annex B (per lot or both lots)".
